

HOMERTON COLLEGE STUDENT REPRESENTATION AWARDS 2021-22
Explanation and Conditions

College wishes to acknowledge and reward those students who represent the College in University sport, societies or other activities such as music, drama and charitable activities as it brings benefits to the College through raising the College profile and providing opportunities for communications to alumni. Awards will be limited to one per year per student irrespective of the number of activities a student participates in.

As a condition of the award, the Development Office would like to receive updates on your activities for possible inclusion as a news item on the College website, alumni newsletters, and other material. Details will be in the award letter.

Key criteria are:

(a) Representation of the College in University Sports

- Students who are members of University sports teams and have been awarded a Blue, Half Blue, Club Colours, or, in the opinion of the Team Captain, have played an active and significant role in the team, will be eligible for an award of £200.
- The award can be claimed for each year of participation.

(b) Representation of the College in University activities and societies, such as drama and music

- Homerton College students making an active and significant contribution to University activities and societies will be eligible for an award of £200.
- The award can be claimed for each year of participation.

Recipients may elect to be rewarded in **vacation accommodation** nights – 14 nights will be awarded if requested instead of payment.

Application for the above awards should be made on the *Homerton College Student Representation Awards Application Form* available on Nexus and from the HUS Office. All applications must be supported and signed by the appropriate club or society secretary or equivalent. Awards must be applied for by 31 May in the relevant year and cannot be back-dated to cover previous Academic years.

College also wishes to reward students who help organise and run college societies and activities. The Homerton Union of Students will nominate recipients of these awards. There should normally be only one nomination per activity or team, and the nomination must be received from HUS **before the end of Lent term**. The award of £75 can be made for each year an office is held but cannot be backdated. It can be received only once in each year.

The Bursar and Senior Tutor will be the final arbiters of whether an award will be granted. Further information on participation may be requested.
