### Cocktails

#### Pimms & Lemonade

A great cocktail for your event for those warmer days.

Pimm's was created in 1823 by James Pimm, a man who owned a London oyster bar and created a delicious liqueur infused with fruits and herbs to serve his customers.

**£11.25 + VAT per guest**

#### Tall White Port & Tonic

It's the classic Portuguese apéritif. It's sweet, but not too sweet, and awakens the appetite. Many people would say it is a summer drink. But we think it's just the right pre-dinner drink for any time of year.

#### Mimosa

This simple cocktail with an international, sophisticated flair is a mixture of sparkling Prosecco, fresh orange juice and a dash of triple sec. Originally, the Bellini used sparkling Italian wine and is still made that way in Italy.

**£17.25 + VAT per guest**

### Prosecco

#### Prosecco & Elderflower Pressé

**£13.00 + VAT per guest**

### Champagne

#### Pierre Bertrand Brut 1er Cru NV

Tiny house in the famous village of Cumieres in the Marne valley. Pinot dominated like most wines from this village, it's deep copper/gold and wonderfully peachy and lush, explosively juicy.

**£21.75 + VAT per guest**
